Question for Volunteers

Do you know an EMT? We need to have someone who will be able to attend our events who can provide first aid. Please send an email to lois.walton@comcast.net if you know someone, or give them her email and have them contact her!

RM BEST at Rocky Mountain Airshow Adventure Zone.

The Rocky Mountain Airshow Adventure Zone provides young people, K-16, with hands-on learning experiences in aerospace, robotics, and related fields. We need volunteers to staff the RM BEST "activity/information station" this year, to cover shifts during 8:00 AM to 2:00 PM on Saturday and Sunday, August 25-26, 2012. We use the booth to inform children, parents, educators, and potential sponsors about RM BEST. This year's BEST "Warp XX" preview/teaser will be a splendid match for a new addition to the Adventure Zone: the Space Pavilion, hosted by ULA, Ball, and others. Contact Scott McEwen (wsmcewen@gmail.com or [303-466-7079](tel:303-466-7079)) for more information.

Brown Bag Lunches

We're holding a brown bag lunch at Raytheon Company next Tuesday, July 17th, to tell folks about our organization and see if anyone would like to mentor or volunteer for our events. Would you like us to support a brown bag at your company? You bring your friends and we bring a very informal presentation about Rocky Mountain BEST including a video, brochures, and some enthusiastic speakers!

Fundraising Committee

The RM BEST Fundraising Committee needs your help. If you know that your company supports local 501(c)(3) non-profit organizations, please contact Lois Walton and she will get someone to work with you! RM BEST is dependent on the generous donations of companies and individuals to succeed. Your referrals are greatly appreciated. We've been successful with several corporations lately. We really appreciate your help!
